Dear Ms. Zea,

Thank you for the correspondence. I feel most privileged to be included. The standard set by my professors last fall was quite high with one requiring us to carefully study model answers from the California Bar Examination.

Sincerely,

John

Dear students and alumni:

Your mid-term and/or final exam for Fall 2016 was scored the highest. We are preparing to share "best answers" with the current classes. Please reply with your permission to share your graded exam. There will be no identifying information included.

Best Regards,

Kim Zea
